

RESTORING YOUR PROPERTY AND PEACE OF MIND

UNDERSTANDING FIRE DAMAGE AND RESTORATION WITH THE EXPERTS AT **SERVICEMASTER RESTORE®**

FIRE RECOVERY SERVICES

Seeing your home and possessions consumed by fire is one of the most severe losses that a property owner can experience. At ServiceMaster Restore, we understand what you are going through. With more than 60 years of experience in providing superior restoration services, our team of experts will guide you through the fire recovery process every step of the way.

UNDERSTANDING FIRE RESTORATION

Our fire restoration process is thorough and proven, and includes:

- Remediating any water damage caused by firefighting efforts
- Cleaning, eliminating odors and deodorizing surfaces to pre-loss condition
- Collecting high-priority items and packing out contents for cleaning and storage
- Performing structural restoration

Depending on the extent of damage and the cause of the fire, you may need different services to restore your property to its pre-loss condition. We've created a summary of our various fire restoration services that you may need. No matter the type of fire, we're here to help.

EMERGENCY SERVICES

Our emergency services include, but are not limited to:

- Board-up services to secure your property from the elements
- Debris removal to clear the way for complete restoration
- Emergency corrosion mitigation
- Excess water extraction

ODOR DAMAGE SERVICES

Our odor damage services include, but are not limited to:

- Thermal fogging to neutralize odors everywhere the smoke traveled
- Removal of odorous particles using air scrubbers to clear the air for safe breathing
- Elimination of odor from surrounding areas using Hydroxyl Generators
- OdorKlenz® technology to naturally and effectively deodorize your home

RESTORATION SERVICES

Our restoration services include, but are not limited to:

- Carpet and furniture cleaning
- Structural restoration
- Hard-surface floor cleaning
- Restoration laundry/dry cleaning

CONTENTS RESTORATION & PACKOUT SERVICES

Our contents restoration and packout services include, but are not limited to:

- Restoration of smoke-damaged contents using hand washing and ultrasonic cleaning
- Advanced furniture and upholstery cleaning
- Inventorying, packing and safely transporting contents offsite if needed
- Restoration, cleaning, and deodorizing contents in our secure, climate-controlled location
